Up Keep of our Pre-School

National Quality Standard – Quality Area 3

Element 3.1.2 – Upkeep. Premises, furniture and equipment are safe, clean and well maintained.

As our building is leased from Hamilton Baptist Church, the Pre-School ensures that the environment is safe, clean and well maintained. Children's awareness of the environment is supported through daily practices, resources and interactions.

The physical environment, both in and outdoors supports children's learning, safety, levels of engagement and access to positive experiences and inclusive relationships. Both indoor and outdoor environment are checked daily to ensure that the premises, the furniture and equipment are well maintained and any issues are reported to the director immediately.

If necessary, the landlord is notified immediately of any concerns.
